Picture retakes on Wednesday, Nov. 20th
Demonstration of learning Nov. 28th 1-4pm and 5-8p. *Scholastic Book fair Nov. 26th to Nov. 28th

Classroom Notes

October was a great month. Thank you to Easton's Mom and Dad, Owen's Mom, Weston's Mom and Sophia's Mom for reading to us during Read-In Week. ☺ Halloween was awesome! The kids really enjoyed the school parade, playing Halloween themed centers and eating all the great treats. Thank you to the parents who volunteered to help make this party a success.

We can hardly wait to start our inquiry unit in social studies about Meteghan. If you have never heard of Meteghan, it is a tiny town in Nova Scotia. To start our imaginary travel your child will be given a pretend passport, plane ticket and a small bag as luggage to travel via Air Canada (google maps) to Meteghan. As we travel in the air, we will explore what the land looks like, what the weather is like and what type of community Meteghan is. Please help generate some enthusiasm at home by doing a simple google search about Meteghan ☺

Happy Birthday to Gavin (Nov. 10), and Aubrey (Nov. 28). We look forward to celebrating with you!

L.A

- *Literacy Centers
- *Writing from a picture prompt
- *Continue spelling
- *Reading assessments
- * Reading buddies

Math

- *Numbers to 100
- *Graphing
- *Math Journals
